

Guide Settlement Instructions

KIC Travel Revised: 2026/06/29

Introduction

Please access the URL sent by your KIC contact before the tour departure and submit your settlement. You may submit daily or all at once after the tour ends. As AI image recognition may misread text or numbers, always review and correct before submitting.

⚠ The app experience may vary slightly depending on your smartphone model or OS version.

⚠ Once submitted, items cannot be modified. To correct an error, resubmit with the same number followed by '+α' (e.g., 3→3a) and notify your KIC contact.

Before You Start

In principle, all receipts are required. Attach them to A4 paper and number each one (1, 2, 3...)

- For transportation without a receipt, please prepare your own documentation
- On your guide fee invoice, include: number, daily rate, number of days, total amount, and bank account details

💡 Handwritten receipts and invoices are especially prone to misreading. Always verify content and amount carefully.
